What is Chocolate Pizza®?

Chocolate Pizza is a gourmet gift that blends rich milk or dark chocolate with homemade English toffee, tops it with nuts or candies and serves it in a custom pizza box.

We handcraft every Chocolate Pizza – nothing is mass produced – real people create all of our delicious treats. Holiday greetings or custom messages are hand-decorated to give your gift a personal touch that is rare today.

I started as a dishwasher at age 15 with a dream to one day own the company. In 2010, at age 21, I became the new owner. We expanded our product line and took our chocolates nationwide. We are a trusted partner for businesses large and small who want to offer holiday gifts that are unique and handcrafted. I look forward to working with you.
